Parking lot located at: 410 SW 8th St., Gainesville, FL 32601

Fall 2018 Dates: September 1, 2018—December 31, 2018

*Please return this form, your application, and check for the total amount due in order to reserve your space.*

- Decals for the South Lot ONLY allow you to park in the lot from 7AM to 6PM from Monday through Friday. **If you park in the lot on the weekend or on a weekday outside of the 7AM-6PM timeframe, your vehicle will be towed.**
- **You may ONLY park in the South Lot located at 410 SW 8th St.** You may NOT park in the Carmichael Lot at 926 SW 2nd Avenue.
- All vehicles parked in a Park Near UF South lot must have a permanent decal that is properly attached and logged with the Park Near UF office. Any vehicle without a properly attached decal will be towed or immobilized at the owner's expense. Properly attached is defined as permanently affixed to the inside of the front windshield on the driver's side and NOT attached with tape, "sitting on the dashboard", or otherwise in sight.
- Any vehicle without the proper decal will be towed or immobilized by the towing company without notice. You may not at any time allow any other vehicle to park in the parking lot other than the vehicle registered with the Park Near UF office.
- In order to obtain a decal you must have a signed parking agreement with Park Near UF and must have paid the related parking rent for the parking decal.
- Utilizing the parking decal allows you to park in the lot in any non-reserved parking spot. You will not be assigned a specific space.
- Each decal is for one driver and one car. No substitute drivers or friends. Transferring decals from one car to another (or from one driver to another) will result in suspension of all parking privileges, and the vehicle will be towed at the owner's expense.
- If for ANY reason you have a car without a proper decal and leave a note on your car to avoid towing or immobilization, please know that it WILL be towed or immobilized. Notes explaining reasons for improper parking or lack of valid decal will not be accepted under any circumstances. The car will be towed or immobilized at the owner's expense.
- **There will be no full or partial refunds issued should you wish to cancel your parking at anytime.**
